

## Who We Are

CI International is a small business dedicated to customized consulting, coaching, and learning & development that transforms our clients' priorities, people, processes, and perspectives in service of their mission. With an approach that leans on listening, places partnership over predetermined solutions, and has, at its core, both a kindness and a compelling candor, we guide organizations and individuals as they work to understand where they're going—helping identify obstacles, chart the course forward, and take the right steps to get there.

## What We Do

Whether your journey is growing a skill set, cultivating a culture, overcoming inefficiencies, or simply discovering a different way of doing things, CI provides federal government and commercial clients our carefully balanced blend of expert guidance and practical advice to help you grow through tough times and thrive through change.

### CONSULTING

CI's team of organizational development consultants brings our deep experience and outside perspective to public sector and commercial organizations searching for solutions to their most pressing strategic, business, and organizational problems.

### COACHING

CI International's community of coaches, coaching services, and programs support leaders at all levels, helping organizations maximize the potential of their people—and the power of their performance.

### LEARNING & DEVELOPMENT

CI International's learning & development consultants support leaders and their teams with targeted and continuing learning programs to educate and equip your workforce.

## THE CI INTERNATIONAL DIFFERENCE

### A commitment to relationships and retention

Our directional markers are our deep experience, long-term relationships, and institutional knowledge.

### Leadership from a place of partnership

We deliver with a committed belief in the exponential power of partnership.

### An ethos of service

We personalize your problems, owning your challenges as our own, and invest in not just the moment but the mission.

### Deep, passionate, and proven expertise

We guide with the business acumen earned from many years across many industries and agencies.

### Institutional knowledge that makes a difference

We've seen a lot, and we stay around—or as we like to say: we stick. Our leaders carry with them this deep organizational context.

## Who We Serve

The following select clients represent the depth of our long-term relationships—and the fundamental features and values they're built on: deep experience, institutional knowledge, a culture of caring, and partnership.

- > Department of Homeland Security – US Citizenship and Immigration Services, US Coast Guard
- > Department of Defense – Defense Civilian Personnel Advisory Service
- > Federal Deposit Insurance Corporation
- > Federal Reserve System – Federal Reserve Board
- > General Services Administration
- > Health and Human Services – National Institutes of Health
- > Internal Revenue Service
- > Office of Personnel Management
- > US Department of Agriculture – Forest Service, Natural Resources Conservation Service

## Our Partners

We have almost three decades of partnering experience to scale our support or to add a specialty capability, if needed. We're currently engaged with some of the most well-known consulting organizations in the industry to support the government's largest and most complex challenges.

*"[CI takes] a great deal of time ensuring the needs of the organization are thoroughly understood and that the content delivered is targeted to those needs. Delivery of the programs themselves is superb. The trainers and facilitators are truly top notch ...."*
